On behalf of the Council of Europe and the European Commission, I would like to congratulate you on your selection as a Young European Heritage Maker in 2021.

The Council of Europe is very proud to have the opportunity to present your artistic and inspiring story to heritage enthusiasts all over Europe on the European Heritage Days website.

Young European Heritage Makers intends to give a voice to children and young people by encouraging and identifying the future Heritage Makers of Europe.

The future of our heritage and the future of Europe belong to children and young people. Your story has contributed to an important collection that will help us understand how better to manage and share our heritage for years to come.

Congratulations on your excellent work. We very much appreciate your contribution to helping us paint a picture of Europe's common heritage today.

Yours sincerely,
